Don't forget the Salvation Army

Singing its way through the highways and by-ways of America, the Salvation Army has, for forty years, been patiently toiling in our midst, little understood and by no means appreciated.

In the mightiest hour of all history, this militant band of relief workers, sang its way into the hearts of every soldier and sailor who answered the Country's call—and it is courageously singing to-day as it fares forth upon an enlarged program, to make this old world a bit brighter and happier to live in.

Because of all this, the Broadway Music Corporation is conscious of the fact that a special honor and privilege has been conferred upon it in being authorized to publish and distribute for the Salvation Army the first and only secular song number to which its unblemished seal has been affixed.

FROM THE COMMANDER'S OFFICE

TO THE GREAT AND MIGHTY PUBLIC EVERYWHERE:

If The Salvation Army Doughnut, originated by the faithful women who have consecrated their lives to the service of others--rolled out by hands that work for no reward but the consciousness of having met a human need, and dipped as deep into pure and unselfish devotion as into the sizzling grease which makes each doughnut crisp and savory--has brought any little cheer and comfort to the soldier and sailor boys of the great and free nation they have with their blood and brave hearts saved from destruction, then I want to say that we "shall in nowise lose our reward"; for has not God given to us the blessing promised to those who give the "cup of cold water" in His name? And if setting to sweet music the world-famed story of the doughnut, made at the Front "as Mother would have made it," can add anything to lighten the hearts of those who hear it, or induce more smiles, and impart at the same time the solemn message of what it means to serve our fellowman, then The Salvation Army is profoundly and everlastingly grateful.
